

EN/2024/1/AL14C.H/E

DECLARATION OF PERFORMANCE

1. Manufacturer: STALKO SP. Z O.O SP. K., ul. Solec 24/253, 00-403 Warsaw; production: Gdyńska 32, 26-600 Radom
2. Type / identification code: fireplace insert Albero 14 kW / AL14C.H
3. Application: space heating in buildings by radiation and convection
4. Name and number of the notified body performing initial type testing: Institute of Power Engineering, Department of Energy Equipment Testing - Laboratory of Testing of Boilers and Heating Devices LG, Notified Body no. 14525.
5. The system or systems of assessment and verification of constancy of performance: system 3
6. Declared performance for a wood-burning fireplace insert:

Basic characteristics	Declared technical parameters
Harmonised technical specification	EN 13229:2001/A2:2004/AC:2006/AC:2007
Fire protection	NPD
Release of hazardous materials	No hazardous substances. No part of the fireplace contains asbestos. No cadmium or any heavy metals are used in the production
Mechanical strength	Exhaust: meets $\varnothing = 197$ mm; L = 66 mm Flue gas ducts: meets ≥ 30 mm
Temperature of surface	Meets
Electrical safety	NPD
Maximum working pressure of water	NPD
Average flue gas temperature	241 °C
Emission CO (13% O ₂)	0,068 %
Nominal power	14 kW
Nominal power, water	NPD
Energy efficiency	83 %

Performance of the product specified in point 2 are compliant with the declared performance in point 6. This declaration of performance is issued in accordance with REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL (EU) No 305/2011 under the sole responsibility of the manufacturer indicated in point 1.
